

Chapter 19.623***Billboard Signs*****19.623.010 Basic Policies**

The policies and principles stated in this Chapter apply to all billboards within the regulatory scope of this Chapter. These policies are to prevail over any other provision to the contrary, even if more specific.

19.623.020 Billboards

The City completely prohibits the construction, erection or use of any billboards, other than those which legally exist in the City, or for which a valid permit has been issued and has not expired, as of the date on which this provision is first adopted. No permit shall be issued for any billboard which violates this policy, and the City will take immediate abatement action against any billboard constructed or maintained in violation of this policy. In adopting this provision, the City Council affirmatively declares that it would have adopted this billboard policy even if it were the only provision in this Chapter.

The City Council intends for this billboard policy to be severable and separately enforceable even if other provision(s) of this Chapter may be declared, by a court of competent jurisdiction, to be unconstitutional, invalid or unenforceable. This provision does not prohibit agreements to relocate presently existing, legal billboards.

19.623.020 Severance

If any section, sentence, clause, phrase, word, portion or provision of this Chapter is held invalid or, unconstitutional, or unenforceable, by any court of competent jurisdiction, such holding shall not affect, impair, or invalidate any other section, sentence, clause, phrase, word, portion, or provision of this Chapter which can be given effect without the invalid portion. In adopting this Chapter, the City Council affirmatively declares that it would have approved and adopted the Chapter even without any portion which may be held invalid or unenforceable
